

RURAL RESPONSE FOR HEALTHY CHILDREN.

Vision

A responsive community that supports, nurtures & strengthens families and children.

Mission

Helping families and children to create an environment of wellbeing through community engagement and capacity building.

Strategic Direction + Objectives

Relevant Programs & Services for Parents/Caregivers and Children

Prevent occurrence of harm to children by working with parents, children and our community collaborators for support and education at earliest stage

Work with community collaborators to provide relevant services for Huron County families

Engage Huron County residents in being champions for child rights

Organization Stability

Foster organization culture that is built on respect, recognition and commitment to excellence

Increase capacity of organization to be strategic and responsive

Measure and share outcomes with community

Be known to, and valued by, residents of Huron County

Build awareness of our organization's role and contribution to child safety and family well-being

Optimize organization financial resources

Diversify revenue stream

Grow reserve fund

Efficient internal processes
