

## **RURAL RESPONSE FOR HEALTHY CHILDREN.**

Rural Response for Healthy Children employees have a special passion for making an impact in the lives of families in Huron County. Established in 1987, we strive to create a community that is responsive to protecting the rights of children and supporting parents to nurture healthy families.

Rural Response for Healthy Children's established relationship among families, combined with support and education resources ensures success, making Rural Response a unique employment opportunity. We offer a professional and progressive work environment. Consider joining our team in our mission to help families engage, connect and thrive.
